Rubber clip for face mask

Ref.A00016

Specifications

- This flexible extension for mouth masks ensures that the elastic straps no longer pinch behind the ear. The plastic accessory increases the wearing comfort of mouth masks, so that they remain on the face longer and more firmly.
- Equipped with hooks of different lengths: these allow you to wear the mouth mask looser or tighter.
- Material: 100% silicone
- One size: length 16 cm / height 1.5 cm

- Different colours:

Packaging

100 pcs/poly bag - 5000 pcs/master box
